

~~Mexico, Mazatlan~~
One ^{one} trip ^{time} I made was
when ~~I went~~ to Mexico.

~~and Mazatlan~~. I went
to see my grandma. I only
see her once a year.

We were going to surprise
her. On the way to Mexico
I watched

watched movies on
a portable dvd player
and played
videogames. We arrived

at my grandmas house
in the night. My grandma
was so happy to see us. Oh yah
my uncle and aunt, cousins went with us.
